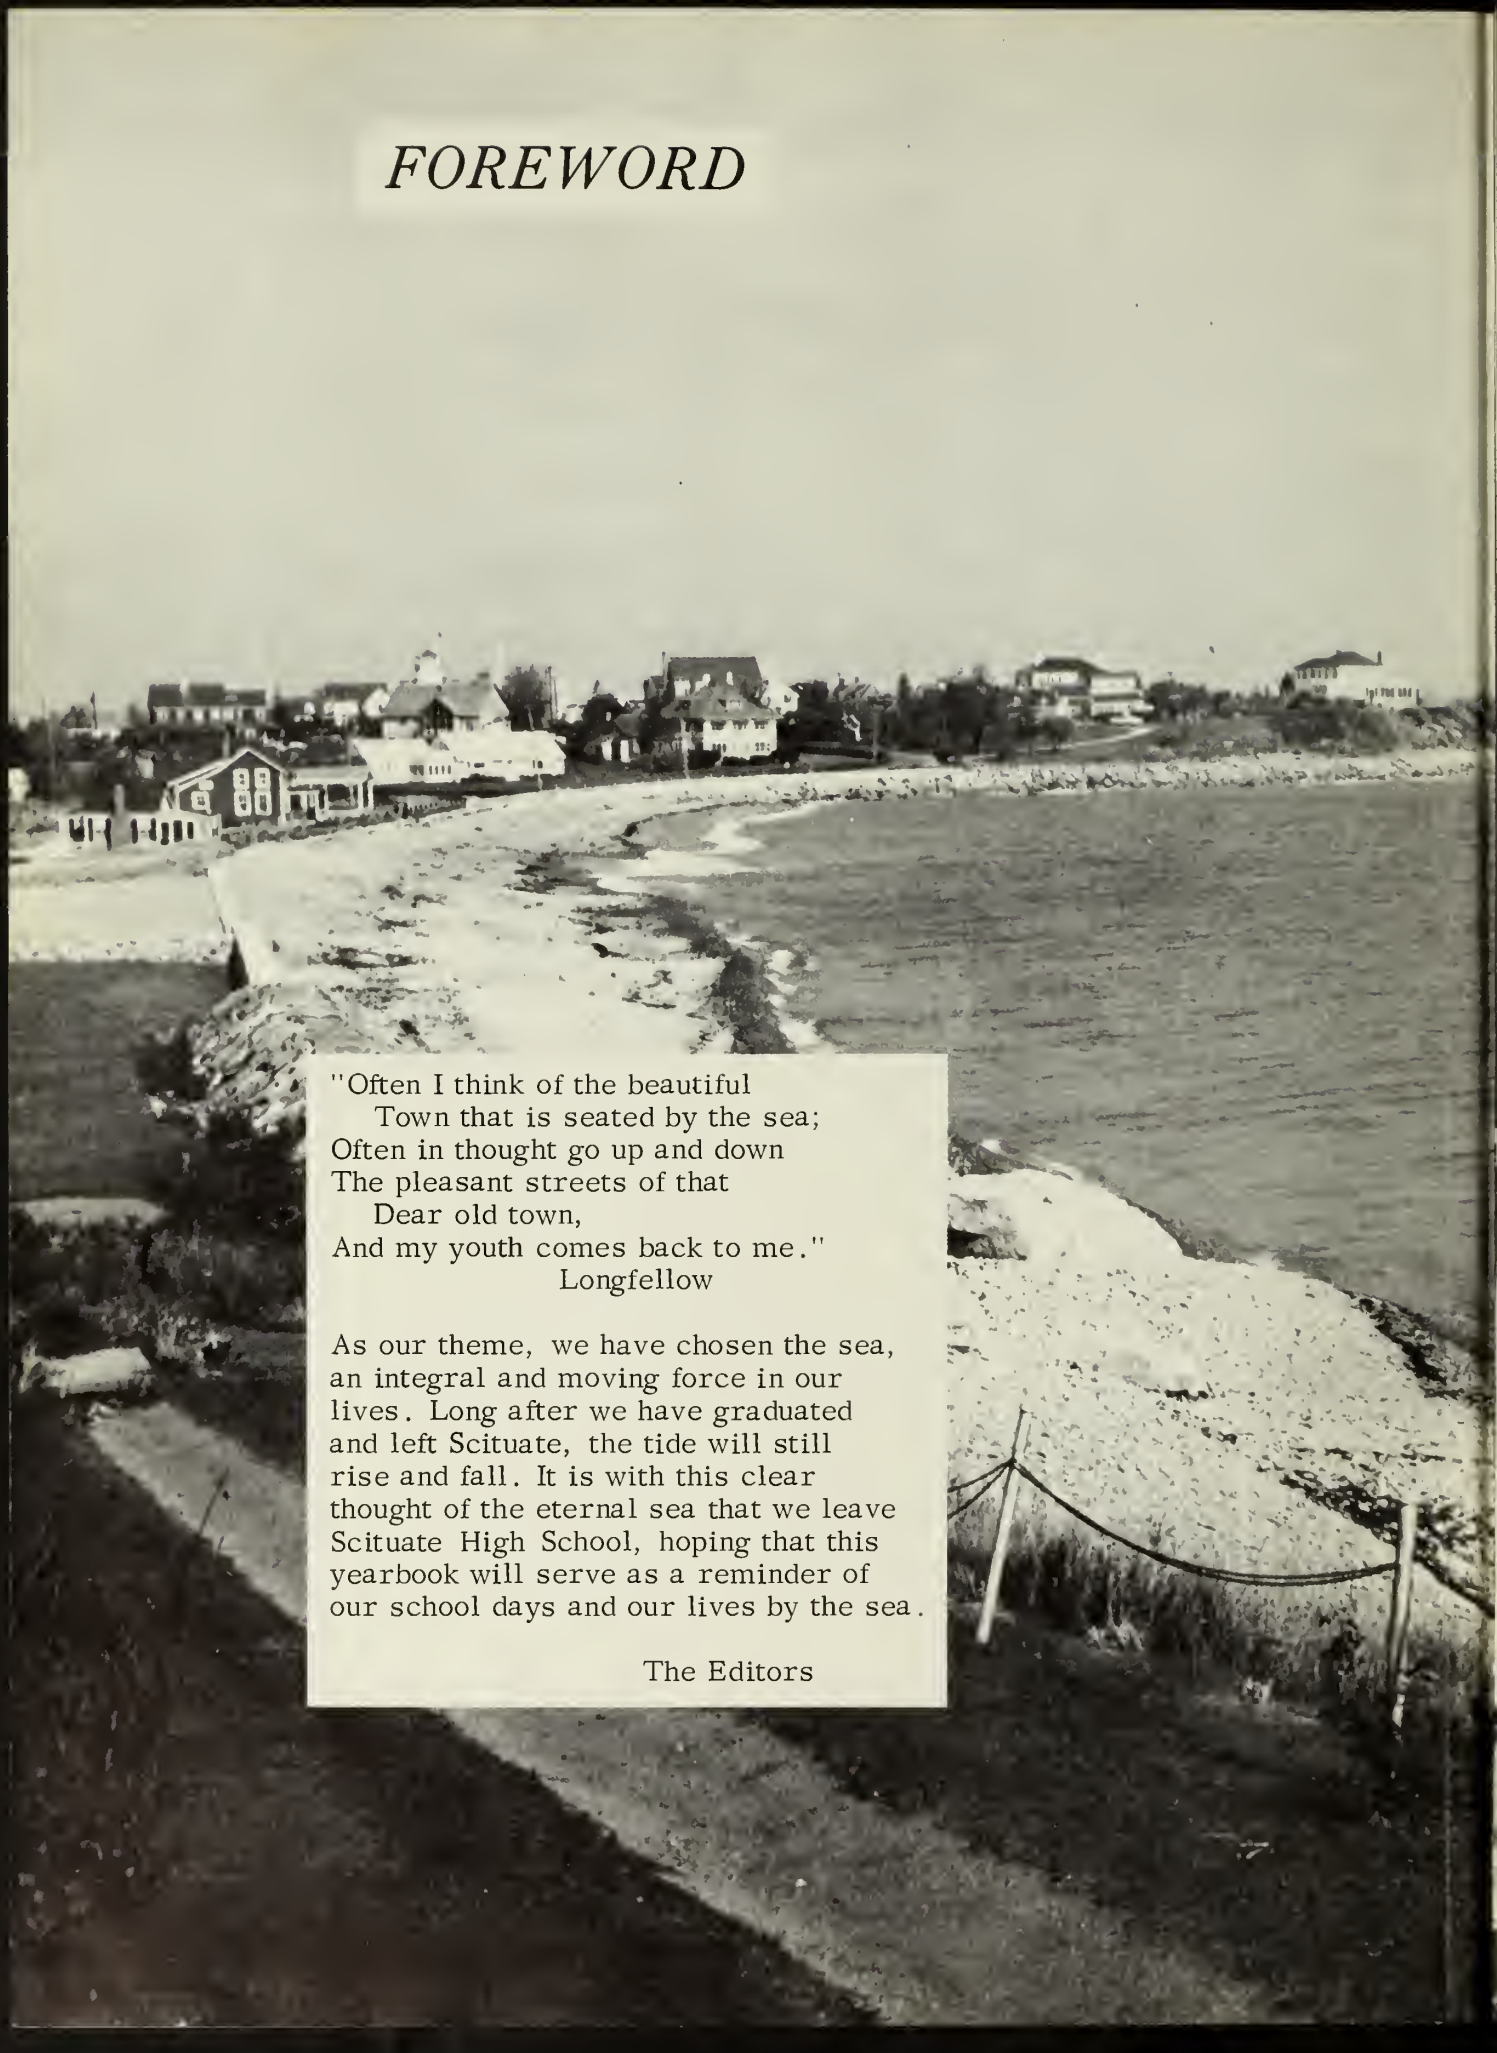
FOREWORD



"Often I think of the beautiful
Town that is seated by the sea;
Often in thought go up and down
The pleasant streets of that
Dear old town,
And my youth comes back to me."
Longfellow

As our theme, we have chosen the sea, an integral and moving force in our lives. Long after we have graduated and left Scituate, the tide will still rise and fall. It is with this clear thought of the eternal sea that we leave Scituate High School, hoping that this yearbook will serve as a reminder of our school days and our lives by the sea.

The Editors

We, the Chimes Staff of 1964, dedicate our yearbook to a most worthy person. Miss Ruth Hawkes has faithfully aided and guided the all important business staff for many years, and without her help, yearbook production would have been impossible. Gratefully we thank Miss Hawkes for these years of service.

L. MUNRO GRANDY
Superintendent of Schools

To the members of the class of 1964:

We are the sum total of our yesterdays, and for the past twelve years a large portion of your time has been spent in the pursuit of knowledge and excellence. It is our hope, your teachers and mine, that you are ready for "the testing times."

The quickness with which you assume responsibilities and the quality of your solutions to problems with which you will be confronted will, in a large measure, determine your future and the kind of world in which you and yours will live and have your being. The trademark you carry, "Educated in Scituate," should serve you well.

Sincerely,

L. Munro Grandy

SENIORS

"We're bound for blue water
Where the great winds blow,
It's time to get the tacks
Aboard, time for us to go:
The crowd's at the capstan
And the tune's in the shout,
A long pull, a strong pull,
And warp the hooker out."

"Build thee more stately mansions,
O my soul,
As the swift seasons roll!
Leave thy low-vaulted past!
Let each new temple, nobler than
The last,
Shut thee from heaven with a dome
More vast,
Till thou at length art free,
Leaving thine outgrown shell
By life's unresting sea!"

The main purpose of a Student Council is to express the opinions of the student body to the administration and to help to regulate student activities. This is an important part of school relations.

One of the highlights of the year occurred when Scituate was host to thirty schools at the Southeastern Student Council Convention on November 7, 1963. As a result of careful preparation and the cooperation of the entire school, the convention was a tremendous success. Congratulations to our Council for a wonderful job.

The officers for the 1963-64 year were Roger Cahoon, president; Roger Raffetto, vice-president; Jane Tondorf, secretary, and Joan MacDonald, treasurer. Mrs. Cote was the able advisor. The members of the Council hope that in the past year they have represented their classes well and have accomplished something on the students' behalf.

Qualifying students must have, in addition to an average of 90% or above, the attributes of leadership, service, and character.

The seven members of the senior class who were eligible in their junior year for membership and were inducted into the Society in June, 1963, were Lynda Blanchard, Carl Carlson, Margaret McCarron, Janet Laird, Rudolph Mitchell, James Robotham, and Diane Douthette, a transfer student from New Jersey. Another election will be held in March to select new members.

SENIOR GIRLS' BOOSTER CLUB

The members of the Senior Girls' Booster Club have worked hard this year to provide senior jackets as well as their annual scholarship. The "Sailor's Galley" is only one example of the fine effort that these senior girls have made. Under the direction of Mrs. Dorothy Croker, they continually strive to stimulate increased school spirit, both athletically and academically.

SCIENCE PROJECTS CLUB

Now in its second year, the newly formed Science Projects Club gives students an opportunity to create science projects, in addition to work in school science fairs. The club also enables its members to discuss these projects among themselves and with corresponding clubs in neighboring towns. Mr. Stephen McGrail is the advisor of the club. The only criteria for a prospective member is an interest in the club and a desire to work on a science project. Although young, the club continues to grow and helps to interest our students in the increasing importance of the scientific field.

Fran, I hope you enjoyed your junior year as much as I did. Remember English + history classes. Best of luck always, Sara '65

The calendar of the Scituate High Music Department was climaxed with the presentation of a new musical comedy, "Get Up and Go," on March 15 and 16, 1963. Under the direction of Mr. Don Hermance, the major roles were aptly played by Tom Holleman, Mary Ann Swiger, Ellen Brown, Roger Cahoon, Kathy Swiger, and Phil Von Iderstein. The event was one of the highlights of the school season, as more than nine hundred people enjoyed the show.

"Don't just sit there, get that BUG off my bed!"

"Bang! Bang! You're dead!"

"THE MAN WHO CAME TO DINNER"

The Senior Class of 1964 presented the humorous and eventful broadway hit, "The Man Who Came To Dinner." Under the direction of Mrs. Beulah Brown, the cast skillfully enacted a trying situation involving a demanding old philanderer, Sheridan Whiteside, excellently played by Roger Cahoon, and the state of chaos into which he forced the home of Mr. and Mrs. Ernest Stanley. Leading the line of colorful characters was Norrine Abbott as Maggie, Whiteside's efficient and understanding secretary. Following along were Blair Holland as movie star Lorraine Sheldon, Jim Robotham as newspaperman Bert Jefferson, Don Marr as playboy Beverly Carlton, Ted Deckel, the "mental delinquent" Banjo, Pam Nicholson, the "unstable" Harriet Stanley, and Jerry Howard and Karen Byer as the frustrated Mr. and Mrs. Stanley. The entire cast of talented performers made this year's Senior Class Play a tremendous success!

THE CLASS OF '64 PRESENTS "YOUNGER THAN SPRINGTIME"

Dr. Grandy crowns Suzanne Squizzero Queen of the 1963 Junior-Senior Prom.

The class of 1964 presented the Junior-Senior Prom, "Younger Than Springtime," on Friday evening, May 3, 1963. The class had decided that Dreamwold could no longer accommodate Scituate's Prom-goers. Thus, for the first time, the big event was held in the high school gymnasium.

Approximately one hundred and thirty couples danced amidst multitudes of pastel flowers and soft pink lights. The balmy May weather lent an added charm to an unforgettable evening.

The last meet of the season gave the Scituate High Cross-Country Team its expected undefeated record and again made the boys South Shore Champions. The team was also the ONLY team to enter the 17th Annual South Shore Interscholastic C.C. Meet with an undefeated record. David Narlee led the group as Captain and also as Number 1 runner, breaking record after record along the way.

BASKETBALL

Ricky and Coach Keenan

The 1964 boys' basketball team, overcoming a height disadvantage with excellent shooting ability and a well-balanced bench, finished the season with a top-notch record and easily qualified for the Tech Tourney. A continuous battle for first place in the league raged among Hull, Holbrook and Scituate, and in one glorious week, Scituate defeated both teams.

A unified team effort led the boys to victory, as well as an "all-star" starting line-up. Score-wise, Joe Rooney, Mike Crowley, Jerry Crowley, and Peter Edwards all averaged in the double figures per game, with Roger Raffetto, Tom Meiser and Steve Kent not far behind.

Congratulations to our team for an excellent season!

GIRLS' BASKETBALL

Although the girls' basketball team ended in third place in the South Shore League, their 1964 season was sparkled by two major events. First, senior Pam Darby broke the scoring record of 1958 by netting 45 points in one game. The other highlight of the season was their invitation to the Massachusetts Girls' Basketball Tournament held in Canton. This was the first time a team from Scituate has been so honored. "Game . . . match-point-Scituate" was a familiar cry for the members of Scituate High's Girls' Tennis Team. For the eighth consecutive year the girls easily won the South Shore Championship and held an undefeated record. The 1964 season looks promising as two outstanding players, Mary Ann Foniri and Judi Doherty hold the first and second positions on the team. Also, the abundance of skilled younger players should assure the continuance of the girls' splendid record.

Frances,
The best
luck always
to one who real-
ly deserves it
more. I forget our
attentive and well versed
English class, also our
pesky Chemistry class, esp-
ecially Carlis. Glad such
an yaller senior, yeas and
the many that will follow.

Fran,
Do the

I know. (Reading day)
well par I guess will
new, ever be able to forget
me many exercises and tennis (TENNIS)
games, what a riot they were. May and

nurses. (fellow is right.) Some day, Dian, you, Mary
& I are going to see the world, yes indeed?

Fran -
Boy - what a riot the
year has been - and what
a mess of trouble!! Never
will I forget the trip to Boston
or that miserable day-just to
look at all the drunks & the in-
sanities they extended to us to
join in a little merriment! That
was real funny - but sitting in
that miserable detention room
wasn't - it was until it though-
t & I

Fran,
You're a real hot ticket, but you're kinda bad crazy. Mind your own business in Chem. and no more days like tuesday.
